TENDER NOTICE

Tender no. with PAC(tender value)
Cost of tender form(original)

: KCPM-19/3/2017, Rs.6.00 lakhs
: Rs.1200/- + 18% GST=1416/-

E-Tenders are invited from interested firms for the supply and installation of Outboard Motor OBM for the speed boat. The supply of the product must be from reputed manufactures having complaint free equipment suitability in harsh running environments such as saline and turbid water prevailing in the Vembanad backwaters.

1. Make, Models & Part numbers

It is mandatory to provide make, model and part numbers of all items and their subcomponents as asked in the technical specification. The bid may not be evaluated and/or will be liable for rejection in case of non submission or partial submission of make, model and part numbers of the items bided. Please note that substituting required information by just brand name is not enough.

2. Documentation

Brochures/Manuals/CD/Technical specifications etc. in support of the technical compliance must be submitted.

3. Fixed Price

The bid shall be on a fixed price basis, inclusive of all taxes and levies. No price variation should be asked for relating to increase in price due to probable reasons.

4. Spare parts

The vendor will make the parts for the systems available for a further period of three years on completion of warranty period. If any of the peripherals / components is not available during/after the warranty period, the substitution shall be carried out with peripherals/components of equivalent or higher capacity.

5. Warranty

The Supplier warrants that all the Goods are new, unused, and of the most recent or current models, and that they incorporate all recent improvements in design and materials, unless provided otherwise in the Contract.

The Supplier further warrants that the Goods shall be free from defects arising from any act or omission of the Supplier or arising from design, materials, and workmanship, under normal use in the conditions prevailing in India.

The warranty will commence from the date of installation of equipment and acceptance of the same
